

INVESTING IN ASKY COMMUNITY AIRLINE

ASKY Community Airline started its operation on 15 January 2010. Departing from Lome, ASKY currently serves 12 destinations:

- 08 in West Africa (Cotonou, Ouagadougou, Niamey, Conakry, Bamako, Banjul, Accra, Freetown)
- 04 in Central Africa (Brazzaville, Douala, Libreville, Kinshasa.)

The service to N'DJAMENA is scheduled to start on 02 June 2010.

Other destinations, notably Abidjan and Lagos, will be added soon to the current network.

ASKY is an airline with a capital of 60 billion FCFA, or about 120 million U.S. dollars. The main shareholders are the International Financial Institutions of West Africa (ECOWAS-EBID, BOAD, ECOBANK Group), the SAKHUMNOTHO Group of South Africa, the strategic partner Ethiopian Airlines and private operators.

The on-going capital increase exercise is proceeding satisfactorily. Part of the capital is reserved for institutions and private individuals under the following conditions:

- Share price: 10.500 FCFA including a premium of 500 FCFA.

To subscribe to the capital of ASKY, one needs to complete a subscription form with payment by check of the amount subscribed or transfer to the "ASKY Capital Increase" bank account as indicated on the subscription form.

This can be obtained from the SGI's in UEMOA countries, or at the ASKY headquarters, at the following address:

ASKY AIRLINES, 123 Boulevard du 13 Janvier

ASKY Community Airline aspires to become a leader in quality service (safety, security, reliability, regularity, punctuality) through the use its fleet of new aircraft, a qualified and experienced staff and the support of its Strategic Partner Ethiopian Airlines.

In order to offer passengers better services in the area of air transport, ASKY intends to cooperate with all regional airlines. On this account, it has already established a partnership with AIR MALI and AIR BURKINA.

Together we can build a viable major airline of international dimension.
